

Assessing Career Potential

The Career Potential Inventory (CPI) is designed to give a comprehensive review of the future career direction of an individual.

HOW CPI HELPS YOU

- Ascertain your career potential according to different job skills and types.
- Provides a distinction between passion and capability for each area.
- Evaluation of suitability for different careers and work cultures.

HOW CPI WORKS

CPI helps candidates discover their passion and ability across different job types, and the type of organisational culture that they might fit in.

WHY CHOOSE CPI

- Carefully designed in consultation with professional psychologists.
- Simplifies complex psychological concepts and makes them easy to understand.
- Proprietary online assessment platform makes administration quick and easy.
- Holistic review of career interests, capabilities and company cultures.
