

UNLOCKING LEARNING POTENTIAL

The Learning Styles Profiler (LSP) is a tool designed to help individuals be more aware of their learning styles, in order to better chart their personal learning paths.

HOW LSP HELPS YOU

- Understand candidates' preferred personal learning styles.
- Discover their most suitable learning strategies.
- Enhance learning effectiveness using the LSP as a basis.

HOW LSP WORKS

LSP examines an individual's learning environment, style of information processing, personality and preferences for social interactions during learning to develop a comprehensive learning profile.

WHY CHOOSE LSP

- Carefully designed in consultation with professional psychologists.
- Simplifies complex psychological concepts and makes them easy to understand.
- Proprietary online assessment platform makes administration quick and easy.
- Multi-faceted appraisal of candidates' learning preferences.
